FELL IN FIT WHILE EATING A BOWL OF SOUP

Thomas Regan, a transient, made a quick return to the police station this morning after being given a suspended sentence by the municipal court judge. He was arrested last night on lower Twenty-fifth street by Patrolman William Brown on the charge of drunkenness. Shortly after his release today he went into Ward's restaurant on Twenty-fifth street, near Lincoln avenue, and while eating a bowl of soup took a fit and fell to the floor.

The alarmed cashier called the police and Regan was taken to the station by Sergeant H. C. Peterson and Chauffeur Nelson, who brought him "around" with a "first-aid" treatment. He was then locked up pending his complete recovery.

UNION SERVICES ARE TO BE HELD DURING THE SUMMER

The Congregational, Methodist, Presbyterian and Baptist churches will hold union Sunday evening services during the months of July and August. These services will be conducted as follows:

July 4th, 11th and 18th in Presbyterian church.
July 25th, August 1, 8th in the Methodist church.
August 15th, 22nd and 29th in the Congregational church.

This plan has been made owing to the fact that, for the present, the Baptist church is without a local pastor.

The ministers of the church in which the meeting is held will preach the sermon and plan for the services and furnish all the music. Any collection envelopes contributed will be sent to the church named on the envelope.

It has been agreed by the churches in the city that the services shall be held in any of the four churches above mentioned on these Sunday nights, except as scheduled in these Union services.

It is probable that there will be some changes, however, in the place of holding the Union services as all the pastors have not fully completed their vacation arrangements.

THIRTY DAYS FOR THE TAKING OF AN AUTOMOBILE

Thirty days in the county jail or a \$30 fine was the sentence imposed upon Ernest Davison and William Cromwell this morning, by Municipal Judge Reeder, after they had pleaded guilty to taking an automobile belonging to Charles Murdock of Harrisville, without the owner's permission. The youthful defendants took the machine Wednesday night for a "joy ride" and were arrested yesterday by Sheriff T. E. DeVine, at their homes on West Seventeenth street.

In speaking of the case and of others of a like nature that may come up in the future, Sheriff DeVine said that the prosecutions of persons charged with stealing automobiles, no matter what the purpose, would be pushed to the limit.

REPORTS SENT BY GERMANS UNTRUE

Newport, R. I., July 2.—The Russian ambassador, George Bakmeteff, today gave out a message which he had received from the minister of marine at Petrograd denying Russian responsibility for the sinking of the Dutch steamer Renes.

The message follows: "The Germans are spreading the news through the wireless from Stockholm as though the Dutch steamer Renes had been blown up by a torpedo boat off Cedre-Am island, adding that the Russian boat did not even aid in the rescue of the crew. This statement is entirely false as at the time the steamer was said to have been sunk, there was not a single Russian ship in the described region. Evidently the German purpose is to lay upon a Russian vessel a misdeed committed by themselves."
